DETAILED ACTION

Ex Parte Quayle Action

1. This application is in condition for allowance except for the following formal matters:
 - A. The information disclosure statement filed 1/10/00 fails to comply with 37 CFR 1.98(a)(2), which requires a legible copy of each foreign patent or that portion which caused it to be listed; and all other information or that portion which caused it to be listed. An additional information disclosure statement should be refiled listing the references which have been crossed off the above filing and corresponding copies of the references should be sent.
 - B. The disclosure should be carefully reviewed to ensure that any and all grammatical, idiomatic, and spelling or other minor errors are corrected.
 - C. The drawings are objected to under 37 CFR 1.83(a). The drawings must show every feature of the invention specified in the claims. Therefore, the circular cross-section of claim 3 and the predetermined shape of claim 18 must be shown or the features canceled from the claims. No new matter should be entered.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

Allowable Subject Matter

2. Claims 1-18 are allowed.

3. The following is a statement of reasons for the indication of allowable subject matter:

Prior art fails to show or suggest an illumination device comprising a light guide including a core having a optically smooth surface, at least one light extraction structure located along the surface of the core including an optically reflective surface extending into the core as claimed, and a diffuse reflective material disposed around a portion of the light guide to direct a portion of the light reflected by the extraction structure back through the core so that the light is emitted the emitting region of the smooth surface.
